

Spring Creativity Classes

DCM Creativity Programs are designed to foster children's joyful learning about the world and themselves – and parents' understanding of how to support that learning. Neighborhood News lists the skills and knowledge that each program supports and promotes. Please note: registration closes 1 week before the start of most classes. Call today so you won't miss out! Accommodations can be made for special needs by calling DuPage Children's Museum at 630-637-8000 ext. 0. **Pre-registration and pre-payment are required. Register on-line or call 630-637-8000 ext. 0 to register today!**

AGES 18-24 MOS.

Rock On, A Hop 'n' Bop™ Series Class

Feel the rockin' beat in your toddler feet in this early exploration of music and movement. Playing with rhythm helps children internalize the natural beat and pattern in reading, walking and math. *Rhythm, gross motor skills, creativity.*

Fee: Members/Child Partner \$12
Nonmember/Child Partner \$18

Code	Date	Time
HNB-310	April 16	9:30-10:00

Hand-y Work, A My First Mess™ Series Class

Make a mess at our place as little hands increase motor skills by mixing paint, kneading dough, maneuvering brushes and more. *Fine motor skills, color, knowledge of materials, creative thinking, art skills.*

Fee: Member/Child Partner \$12
Nonmember/Child Partner \$18

Code	Date	Time
MFM-210	May 18	9:30-10:00

South of the Border, A Hop 'n' Bop™ Series Class

Feel the Latin beat in your toddler feet in this early exploration of music and movement. Playing with rhythm helps children internalize the natural beat and pattern in reading, walking and math. *Rhythm, gross motor skills, creativity.*

Fee: Member/Child Partner \$12
Nonmember/Child Partner \$18

Code	Date	Time
HNB-410	May 21	9:30-10:00

AGES 2-3

Art Erupts, A Wet 'n' Messy™ Series Class

Experience the beauty and excitement of a child's first volcanic eruption. Through several different art and science explorations, this natural phenomenon bursts into the studio. *Science principles, creativity, knowledge of materials, fine motor skills.*

Fee: Member/Child Partner \$14
Nonmember/Child Partner \$20

Code	Date	Time
WNM-110	March 16	9:30-10:15

Trains, A Start in Art™ Series Class

Children love trains. Get on board for this art-filled exploration of the sounds, shapes and travels of beloved trains. Build, collage and get rolling through paint when this class pulls into the DCM Studio Station. *Creativity, color, knowledge of materials, artistic expression, fine motor skills.*

Fee: Member/Child Partner \$14
Nonmember/Child Partner \$20

Code	Date	Time
SIA-310	March 17	9:30-10:15

Pre-registration and pre-payment are required. Register on-line or call 630-637-8000 ext. 0 to register today!

AGES 2-3 cont.

Kite Flight, A Start in Science™ Series Class

Colors soar through the air while children create and discover one of the season's favorite toys. Explore the science of air in this high-flying class. *Creativity, color, knowledge of materials, artistic expression and fine motor skills.*

Fee: Member/Child Partner \$14
Nonmember/Child Partner \$20

Code	Date	Time
SIS-210	March 24	9:30-10:15

Art Brightens A Rainy Day, A Start in Art™ Series Class

Raindrops and rainbows, pitter patter and puddles – artists and musicians make creative connections with April showers. Young artists create work to help them understand the sights and sounds of their seasonal world. *Science principles, creativity, color, knowledge of materials, artistic expression, fine motor skills.*

Fee: Member/Child Partner \$14
Nonmember/Child Partner \$20

Code	Date	Time
SIA-410	April 14	9:30-10:15

Budding Gardeners, A Wet 'n' Messy™ Series Class

Young ones are noticing the changes in their own backyards. Help them get to the root of the matter by digging in the dirt, examining what you find, and planting a seed to reinforce the learning at home. *Creativity, higher-order thinking, problem solving and knowledge of science.*

Fee: Member/Child Partner \$14
Nonmember/Child Partner \$20

Code	Date	Time
WNM-210	April 27	9:30-10:15

Paint a Fish, A Wet 'n' Messy™ Series Class

We have hands; fish have fins. We have skin; fish have scales. Compare shapes, sizes and patterns of fish. Then create prints of many colors by painting a real fish and a selection of rubber fish. *Science and math principles, creativity, fine motor skills, color mixing.*

Fee: Member/Child Partner \$14
Nonmember/Child Partner \$20

Code	Date	Time
WNM-310	May 4	9:30-10:15

AGES 2-3 cont.

Tropical Vacation, A Start in Art™ Series Class

Celebrate warm weather with a quick trip to the tropics. The color, texture and sounds of parrots, flowers, and sandy beaches become art materials for young creative minds. Hula on in to this tropical vacation. *Creativity, color, knowledge of materials, artistic expression, fine motor skills.*

Fee: Member/Child Partner \$14
Nonmember/Child Partner \$20

Code	Date	Time
SIA-510	May 5	9:30-10:15

Sink and Float, A Start in Science™ Series Class

Is the nightly bath the best time for science explorations? Sometimes – but the DCM studio is also a great place to discover early science principles. Little scientists will test many different materials, experimenting to see which ones sink and which ones float. *Science principles, knowledge of materials, fine motor skills.*

Fee: Member/Child Partner \$14
Nonmember/Child Partner \$20

Code	Date	Time
SIS-310	May 12	9:30-10:15

Continued on pg. 16

Cancellation Policies for all DCM programs:

- No portion of the enrollment fee will be refunded as of the day class begins.
- Registrants withdrawing one week prior to the beginning of class will be charged a 50% administrative fee.
- Registrants withdrawing prior to the week before classes begin will be charged a 25% administrative fee.

AGES 3-5

Earthly Wonders, A Science Discovery Series Class

Earth Day celebrates Earthly Wonders like plants, dirt, water and how they mix together throughout our planet. Join the celebration by exploring real earthly materials in this early science class. *Science principles and processes, creativity, fine motor skills.*

Fee: Member/Child Partner \$14
Nonmember/Child Partner \$20

Code	Date	Time
SDS-110	April 22	1:00-1:45

Monet Your Way, An Art Discovery Series Class

Monet was famous for exploring light and color through his painting. The paintings of Monet will be used to inspire young artists in their own creative expressions. *Science principles and processes, creativity, fine motor skills.*

Fee: Member/Child Partner \$14
Nonmember/Child Partner \$20

Code	Date	Time
ADS-110	May 10	9:30-10:15

Pre-registration and pre-payment are required. Register on-line or call 630-637-8000 ext. 0 to register today!

AGES 6-9

Geomobiles

You make the colorful shapes and then arrange them so they fly through the air. How can you balance a pyramid, cone, cube or prism? Blend creativity with math skills to create a Geo-Mobile.

** Children may attend this class on their own, but must be dropped off and picked up by an adult at the classroom.*

Fee: Member \$14
Nonmember \$20

Code	Date	Time
FF-310	March 5	6:00-7:00

Night of Slime

Ooey, gooey, stretchy, gross! How many different ways are there to make slime? Lots! Try different recipes for this favorite concoction and discover how much fun chemistry can be.

** Children may attend this class on their own, but must be dropped off and picked up by an adult at the classroom.*

Fee: Member \$14
Nonmember \$20

Code	Date	Time
FF-410	April 2	6:00-7:00

Favorite Grown-Up Gift

Every grown-up really likes gifts that you make especially for them. Make your own scratchboard drawing to decorate a picture frame. We'll even take and print your picture to finish the gift.

** Children may attend this class on their own, but must be dropped off and picked up by an adult at the classroom.*

Fee: Member \$14
Nonmember \$20

Code	Date	Time
FF-510	May 7	6:00-7:00
